WELCOME DEAR BEEF PRODUCER

Thank you for attending the 2023 Nebo Bullzeye sale. This year the sale vendors decided to move North to promote the breed and give easier access to our Northern clients. We have welcomed some new studs, who bring a diversity of Droughtmaster genetics for your consideration.

Droughtmaster cattle have stamped their place in the beef industry with multi market suitability whether it's a line of red weaners, feeder steers or your producing bullocks off

grass they are a versatile breed. You can buy with confidence as the bulls on offer come from well managed herds and producers that have fat in the commercial game. Please contact any of us or the selling agents GDL or your preferred agent for inspections or questions. Again, thank you for your support.
